Battlefields & Stories of the Great War

aboard MS Serenity

One hundred years after the end of the First World War, join our commemorative cruise to explore the stories around the battlefields of the Western Front. Mons is particularly symbolic for Britain as it was where our first and last soldier died, so we take some time to visit their graves and hear about their stories at the Mons Memorial Museum. A guided tour of Antwerp then reveals what life was like for the citizens of this city. We also visit Ypres, which was at the heart of the salient, before exploring the area known to our troops as Plugstreet. And as we walk around these now beautiful places, it can be hard to believe what happened all those years ago; but it's vital we remember.

Day 1: UK – Amsterdam

We travel to vibrant capital of Amsterdam, and enjoy a relaxing evening onboard our ship.

Day 2: Kinderdijk & Dordrecht

This morning we reach the village of Kinderdijk, which is renowned for its 19 beautifully preserved windmills. Our optional excursion takes you ashore to visit one of the mills. We continue cruising to Dordrecht and enjoy an afternoon at leisure or you can visit the nearby city of Delft on our optional excursion to Royal Delft. Later in the day you can relax onboard as we cruise towards Brussels.

Day 3: Brussels

Today's included excursion visits the town of Mons, where the first and last British soldiers died in the First World War. You can learn more about their stories along with the history of the area at the Mons Memorial Museum where entrance is included. We also visit St Symphorien Cemetery on the outskirts of the town where 284 German graves and 229 Commonwealth graves lie. In the afternoon we visit Brussels, which has a stunning medieval old town. Later today we cruise towards Antwerp.

Day 4: Antwerp

We start the day with an optional guided tour which looks at the position of the people of Antwerp during the First World War. You are then free to explore the city at leisure. The Grote Markt is a

great place to while away time, whilst admiring the many guildhalls and the centrepiece fountain.

Day 5: Ghent

Ghent is a fairytale city filled with medieval buildings, monuments and canals. From here our included excursion takes you to Ypres. We visit the Menin Gate, where the names of 54,896 missing soldiers are engraved, and entrance is also included to the In Flanders Fields Museum. Next we visit the Plugstreet (Ploegsteert) Memorial to the Missing and Hyde Park Corner Cemetery before heading to the Plugstreet 14-18 Experience. A packed lunch is included. Alternatively you can spend the day in Ghent.

Day 6: Rotterdam

Rotterdam is known as 'Manhattan on the Meuse' because of its impressive skyline. Join our optional excursion to enjoy some of the highlights: take a trip up the Euromast observation tower where you can see as far as Antwerp on a clear day.

Day 7: Amsterdam – UK

We bid farewell to the captain and his crew after breakfast and set off on the return journey.
