The Moselle

Rhine & Moselle Explorer

aboard ms Serenity

Step aboard the ms Serenity as we go in search of the treasures along two of Europe's most charming rivers: the Moselle with its tranquil and intimate aura, and the Rhine with its mysterious power – the stuff of legends and fairytales. We join our ship in Koblenz, the meeting point of these two great rivers, and begin by following the twists and turns of the Moselle all the way to Trier, visiting quaint wine towns and passing ancient castles as we go. We then return to Koblenz and join the Rhine, which leads us through a spectacular gorge where you can gaze in wonder at the Lorelei and explore the great cities of Bonn and Cologne. With the stunning scenery as our constant companion, together with the fantastic service aboard our ship, this is the epitome of river cruising.

Day 1: UK – Koblenz
We travel to Koblenz, at the confluence of the Rhine and Moselle rivers, and settle aboard our ship.

Day 2: Koblenz – Cochem
This morning we leave Koblenz and follow the Moselle on a leisurely cruise towards Cochem. Here you can join our optional guided tour which also includes a visit to Reichsburg Castle, an icon of the Moselle landscape. The remainder of the day is free for you to do as much or as little as you choose.

Day 3: Cochem – Bernkastel-Kues
Enjoy another peaceful morning as we continue along the Moselle before stopping at Bernkastel-Kues, a popular winegrowing centre in the heart of

the Moselle valley. You are free to explore at leisure, or you can join our optional walking tour followed by a visit to the Moselle Wine Museum and wine tasting in the historic cellars of the Vinotheque. Later this evening we begin cruising towards Trier.

Day 4: Trier
Wake up in Trier and join our optional walking tour for a great way to get your bearings and take in the main highlights of this ancient city. In the afternoon you can join our optional coach excursion exploring the Mullerthal region, which is often referred to as Luxembourg's 'little Switzerland' due to its hilly landscape reminiscent of Switzerland. Later today our ship cruises downriver along the Moselle towards Zell.

Day 5: Zell
Zell is a quaint and beautiful town in the Moselle valley with historic sites including the old town walls, St Peter's Church and an ancient castle built in the 16th century. It is also known for its legendary black cat, the story of which you can learn about during our optional guided tour. In the afternoon you can relax on board as we follow the twists and turns of the Moselle back to Koblenz.
