Excellent value for money, good food and first class crew. Our fourth cruise on the Lady Anne and all our memories are good ones. Well done, Captain Wido!

## LIFE ON BOARD

From the spotless brass furnishings and smart uniform to the well presented meals and sparkling glassware, Captain Wido runs a tight ship aboard the mps Lady Anne and the crew's attention to detail is second to none. Yet the atmosphere is one of relaxation and informality, with everyone quickly getting to know each other as you make yourself at home.

Each day starts with a hearty buffet breakfast in the restaurant, where a buffet lunch and four-course dinner are also enjoyed, and as evening approaches you can get together in the panoramic lounge to enjoy the entertainment. This is also a great place to relax, unless the sunshine beckons you up to the sun deck where you can sit back in a lounge as the waiter brings you a cooling drink.

Whether you've been before or not, when you step on board the Lady Anne you can be sure of a friendly atmosphere and excellent service.
