

Fred. Olsen Cruise Lines

All Inclusive Drinks Upgrade

For many guests, the time spent sailing the world's waterways on board one of Fred. Olsen's smaller, more intimate cruise ships is the time to indulge and make the most of a well-earned escape away from it all.

With this in mind, Fred. Olsen's All Inclusive Drinks Upgrade is another service offered to ensure your holiday is relaxing and enjoyable. By upgrading to All Inclusive, you can treat yourself to that extra glass or two of your favourite tittle, without having to worry about the bar bill at the end of your cruise – it's already covered.

You can enjoy selected white, red and rosé wine by the glass and selected house beers, house spirits and soft drinks all day, every day throughout your cruise. Whether it's a refreshing glass of juice or a pint of your favourite beer by the pool on a hot afternoon at sea, or a G&T to round off your day of exploration, it's all included in the price.

Please note, we do not offer a non-alcoholic drinks package.
